To Whom It May Concern:

The enclosed form is being submitted in response to Mr. Don Michael's letter of November 23, 2015. It follows the advice Mr. Michael gave me in our phone conversation of December 3, 2015. As instructed, we are filing a termination report for a political action committee that never existed.

When we filed our letter of October 9, 2015, we had not intended to form a political action committee but had thought that the letter was a prerequisite to obtaining a filing number for independent expenditures.

Sincerely
